Frederick Whitney Hit By Auto But Not Much Hurt.

C. E. Claffin was driving his automobile down Main street near the Bethel inn late Wednesday afternoon when Frederick Whitney, the 10-year-old son of Mr. and Mrs. L. H. Whitney, who was playing tag with another boy, appeared suddenly from behind a freight wagon from the tannery which Mr. Claffin was in the act of meeting, and almost immediately was struck on the forehead by the radiator of the automobile, knocked down and run over. His forehead was bleeding so badly when Mr. Claffin succeeded in stopping his car that he and the witnesses of the accident were frightened very much. It was found that his only injury was to his forehead, none of the wheels of the automobile having so much as touched him. At first the boy was somewhat stunned, but soon recovered and the next day was out, feeling fairly well. Four vertical marks caused by the radiator show plainly on his forehead, but he will not be permanently disfigured.

No books will be given out from the free library after this evening until after July 1. All books due or overdue should be returned at once.

BRADFORD

Various Events of Graduation Were Held This Week.

The annual prize speaking contest was held in Wood's hall Wednesday evening, when four boys and two girls of the academy competed for a first prize of \$5 and a second prize of \$2.50 for both boys and girls. Those competing were: Rowena Munson, who received the first prize for girls, and Ethel Martin, second; Earle Haskins, who received first prize for boys, and Fred Louannis, second; also Thomas Johnson and Earle Jenkins. As a whole, the speakers were younger than those who have spoken the last two years but the recitations were well learned and much enjoyed by those present. Besides the speaking the glee clubs sang, selections were played on the new victrola which the teacher training class presented to the academy, a vocal solo was given by Miss Follansbee, the music teacher, and a concert solo was rendered by George Gaffield, to which the audience listened with pleasure.

The baccalaureate sermon was preached to the graduating class of the academy by Rev. F. T. Clark, pastor of the Methodist church, last Sunday morning. A large audience was present and listened with close attention to an interesting sermon from the subject, "Joseph, the Dreamer," from which he drew many helpful lessons for the young people, as well as the older members of the congregation.

On Tuesday evening, opera hall was filled to its utmost capacity when the seniors of Bradford academy were graduated. The program was as follows: Music, glee clubs; prayer by Rev. F. T. Clark; salutatory, "Early History of Mexico," Bernard Elliot Ellis; "Reminiscences of the Class of 1916," Mary Beatrice Murphy; "The Great Waterways of North America," George Dodge Gaffield; "Opening of the Sibylline Books," Vernie Geneva White; "The Natural Resources of Vermont," Ralph Dewey Lund; address to undergraduates, Rosalie May Butterfield; reply for undergraduates, Earle Endell Haskins; music, girls' glee club; presentation of gifts, Ruth Elizabeth Munn; "The Legends of New England," Edyth May Farley; history of Bradford academy, Mariel Daisy Partington; class will, Gertrude Evelyn Moore; valedictory address, "Motives," Hope Rogers; music, high school; presentation of diplomas, Supt. E. L. Clark; benediction; class flower, yellow carnation; class motto, "Esse Quam Videri." Hope Rogers and Seymour Heath each received a scholarship from the University of Vermont. The latter was not present on account of illness. Much praise is due both teachers and pupils for the creditable way in which the program was carried out.

The schools in the grades closed last week Friday.
